EXPERIENCE

Freelance IT Support

July 2025 – March 2026

- Installed, configured, and maintained desktops, laptops, and printers; performed OS installation, system formatting, and software updates
- Diagnosed and resolved hardware/software issues and provided end-user support, including basic network troubleshooting (LAN, IP configuration, connectivity)

Freelance Web Developer

July 2025 – March 2026

- Design and develop responsive front-end websites using Next.js, React, HTML5, CSS3, and Tailwind CSS. Build custom landing pages for clients, focusing on clean UI/UX and responsive cross-device design.

Information Technology Intern

Light Rail Manila Corporation

Feb 2025 – Apr 2025

- Installed, configured, and deployed desktops and laptops; performed system formatting, OS installation, and routine updates.
- Troubleshoot hardware, software, and basic network issues (IP configuration, connectivity), maintained IT equipment, and documented/escalated technical concerns

PROJECTS

Personal Portfolio Website

- Developed and deployed a responsive portfolio using React, Next.js, and Tailwind CSS with optimized performance and cross-device compatibility

SciTrack: Interactive Learning Web App

- Built a responsive web application using HTML, Bulma CSS, and JavaScript, PHP
